

## Sage UBS - Mobile license

Sage UBS plus mobile license provides the convenience for user to continue working with the system when he/she is out of office.

With Sage UBS mobile license, user can check out 1 user license from the host PC each time, save the mobile license file and mobile data in any storage device, and install the mobile license and mobile data at any client PC. The mobile license and mobile data are valid for a maximum of 14 days. User can also set the validity timeframe of the mobile license while checking out the mobile license.

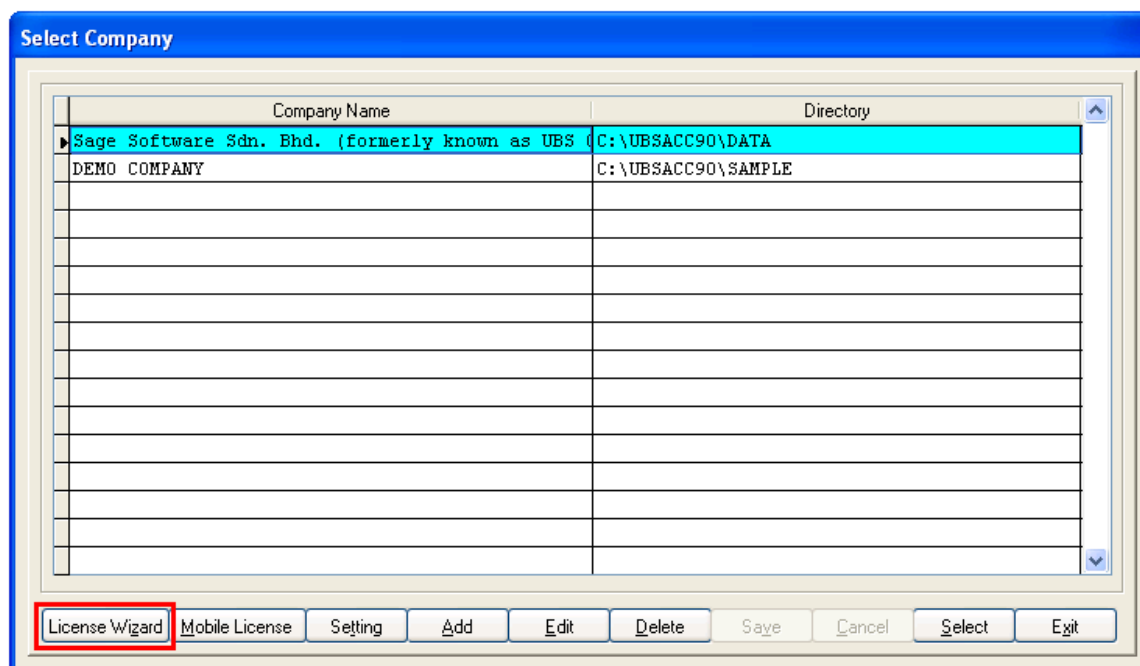

Prerequisite: -

- Successful installation of Sage UBS.
- Successful activation of Sage UBS license.
- Internet connection is active.
