

## Sage UBS Mobile license

Sage UBS mobile license provides convenience for user to continue working with the system anywhere, anytime, when he/she is out of the office.

Sage UBS mobile license comes with the following benefits and flexibility:

1. user can check out 1 user license from the host PC each time – this will allow other users to continue working on the system with the remaining users licenses
2. user can check out multiple company databases from the host PC each time; for editing (updating data) or viewing – all at your sole discretion on the check-out usage
3. save the mobile license file in any storage device – thumb drive, external hard disk and/or memory card
4. install the mobile license at any client PC that is preinstalled with Sage UBS system.

**Note:** The mobile license is valid for a maximum of 14 days.  
User can also set the validity timeframe of the mobile license during the check-out process.
